填报参考

高校报考指南随身刊

Main table containing university names, majors, and admission scores for 2023, 2022, and 2021. The table is organized into columns for school names, majors, and admission data for three consecutive years.

2023年(第一段)批次8000分以下

Table listing specific admission scores for the 2023 first batch (8000 points and below), including university names, majors, and scores.
